In an effort to bring our community closer and beautify the neighborhood, the Lejeune Gardens HOA is partnering with several organizations and volunteers to assist with the Community Cleanup. We encourage all residents to participate and cleanup their property. We are asking that all neighbors take this opportunity to paint, improve landscape, remove litter, throw away bulk trash and do what ever is needed to beautify their home.

- There will be snacks provided
- There will be organized games following the cleanup
- There will be a limited amount of supplies available.
